CARLOS SANCHEZ

WEB DEVELOPER

#HTML5, #CSS, #JS, #cPanel, #Github

PROFILE

I am a computer professional with 5 years of experience as a Web Developer and Server Administrator.

I am qualified to develop websites using JavaScript, HTML5, and CSS, in addition to CMS tools like WordPress, by using Elementor to create custom themes based on mockups from tools like Figma or Adobe Illustrator. Through my working years I have had the opportunity to take part in several web projects which has broadened my professional education.
